

# Sheldon E. Jordan, M.D., F.A.A.N.

Curriculum Vitae- February 2022

## Address

Sheldon Jordan, M.D., Inc., dba The Regensis Project  
Neurological Associates - The Interventional Group  
2811 Wilshire Boulevard, Suite 790  
Santa Monica California, 90403

Founder & CEO:

Synaptec Research, Synaptec Network & Synaptec Holdings  
2811 Wilshire Boulevard, Suite 780  
Santa Monica California, 90403

## Education

1978-1981	UCLA; Residency & Fellowship-Department of Neurology Fields of study: Clinical Neurophysiology and Electromyography
1977-1978	UCLA; Internship- Department of Medicine
1972-1977	UCLA School of Medicine
1969	Harvard University, Premedical Study
1968-1972	Johns Hopkins University, Phi Beta Kappa
1967	University of Southampton, England, Experimental and Shakespearean Theater

## Certifications

- American Board of Neurology and Psychiatry 1983 to present
- American Board of Clinical Neurophysiology 1982 to present
- Pain Medicine Board by American Board of Anesthesiology

- American Board of Neurology and Psychiatry
- American Board of Addiction Medicine
- American Board of Interventional Pain Medicine
- Regenerative Medicine, ABIPM
- Evidenced Based Medicine and Statistics, SIS
- American Society of Neuroimaging: Computed Tomography
- American Society of Neuroimaging: Magnetic Resonance Imaging
- American Society of Neuroimaging: Ultrasonography
- Certification as Operator and Supervisor in Fluoroscopy
- Transcranial Magnetic Stimulation Operator/Supervisor
- CITI Human Research Certification

### **Awards and Honors**

- Best Doctors in America, elected multiple years
- American Society of Interventional Pain Medicine, Distinguished Service Award, 2019
- Super Doctors, Los Angeles Magazine
- Cambridge Who's Who, Global Edition
- Elected fellow, American Academy of Neurology, 1988
- The Augustus Rose Award, highest award for resident physician at UCLA, Department Of Neurology, 1981
- The Surgical Medal, highest award for department of surgery, UCLA, 1977

- The Upjohn Award, highest award for combined research and academics, UCLA School of Medicine, 1977
- National Medical Honor Society, 1977
- The Samuel Goldwin Scholar, 1972-1977
- Alpha Epsilon Delta, National Premedical Honor Society, 1972
- Psi Chi, National Psychology Honor Society, 1972
- Phi Beta Kappa, 1972

### **Appointments and Teaching Experience**

- Clinical Associate Professor of Neurology, UCLA. Voluntary Faculty 1988- present
- Clinical Associate Professor of Neurology, The John Wayne Cancer Center
- Providence Saint John's Medical Center, Johns Medical Center, Santa Monica, California, 2019- present
- USC Department of Neurology, retired senior staff,
- Department of Neurology, Providence St John's Hospital
- Teacher, Preceptor ASIPP
- UCLA Santa Monica Medical Center, Chairman Department of Neurology, Retired

### **Collaborative Programs**

- Consultant for USA Soccer, Major League Soccer, UCLA, Pepperdine Athletic Departments, California Boxing Commission, NBA Basketball and NFL
- Board member, Neurologist for US Soccer
- Course director of a weekly CME-accredited course and collaborative neuro-imaging review session conducted through Providence Health Systems

- Consultant for heart, lung, and liver transplant programs at UCLA
- Course Director American Society of Interventional Pain Medicine, Regenerative Medicine, 2018
- Co-founder and ongoing participant in the UCLA Stroke Service and collaborator on numerous clinical trials
- Performed and published for work in intraoperative monitoring
- Collaborated in several investigational device projects including computerized EEG brain mapping, evoked potential brain mapping, interventional cerebral angiography catheter and pump designs, transcranial magnetic stimulation
- Staffed original Neurological Behavior Clinic at UCLA with Drs. Frank Ervinand & Kenneth Rickler
- Staffed original Sleep Laboratory at UCLA with Dr. Emery Zimmerman
- Founding Partner board member for Center for Ambulatory Surgical Treatment
- Medical Director of Directed Interventional Surgical Center
- Medical Director of Neurological Associates Surgical Center
- Medical Director & Founding Partner for Smart Brain and Health; fMRI & rTMS program for depression, OCD, pain, anxiety, concussion, & tinnitus
- Founding Partner and Managing Partner for Medical Imaging of Southern California; owned and operated one of first independent MRI scanner departments in California (1984 origins)
- Founding Partner and Managing Partner for Diagnostic Imaging Center for Southern California; owned and operated one of first independent CT scanners in California (1983 origins)
- Founding Partner of Neurological Associates – The Interventional Group

- Founding Partner and CEO of The Synaptec Network, Synaptec Research, & Synaptec Holdings
- Harvard Imaging group for functional MRI of pain, depression, OCD, addictions, dementia, and concussion
- Senior staff, Chairman of Neurology, retired, UCLA-Santa Monica Hospital
- Consulting Neurologist for Department of Justice, Division of Judicial Performance, State of California
- Medical Director, Smart Brain and Health (rTMS)
- Board Member, Center for Ambulatory Surgical Therapy, Westwood California
- Reviewer ISIS, Pain Medicine Journal and Pain Physician Journal
- Medical Advisory Board for Allergan (botulinum toxin)
- Developed behavior modification program for chronic Schizophrenic and depressed patients at Sheppard Pratt Psychiatric Institute, Towson, Maryland (Johns Hopkins affiliated program)
- Developed behavior modification program for developmentally disabled children at the Kennedy Institute, Baltimore, Maryland (Johns Hopkins affiliated program)
- Developed several psychometric scales: the Head Injury Scale & the Cervical Brachial Symptom Survey Questionnaire which have been used nationally in clinical research
- Assistant Chaplain, developed and coordinated Sunday Services for Johns Hopkins University
- Coach and Manager, Westside Breakers Soccer club; Gold and Premier Level; first West Los Angeles Soccer club to win California State Cup

- Even though many of the players were from disadvantaged homes, many became scholarship college players, several played on college championship teams at North Carolina, Portland and UCLA, and one played on the USA National Team
- Board Examiner, American Board of Interventional Pain Medicine
- Course Director, World Association of Pain Medicine Ultrasound
- Consultant for the BrainSonix Corporation
- Board Member, American Society of Pain Physicians
- Chief Investigator, Pfizer Tyrosine Kinase Inhibitor for treatment of degenerative dementia
- Chief Investigator, Advanced MRI Imaging Emcyte Platelet Rich Plasma fortreatment of discogenic pain
- Chief Investigator, Focused Ultrasonography for Treatment of Degenerative Proteinopathies (Brainsonix)
- Depth electrode placement, ablations for studying hippocampus; Dr. Olton, Johns Hopkins, 1969-1970
- Depth recording from brainstem, Brain Research Institute, UCLA, 1972
- Depth recording, ablations brainstem, Learning Laboratory, Dr. Woody, UCLA
- Monitoring, interventional radiology, Dr. Hashima, Dr. Vineula, Dr. Dion at UCLA
- Surgical monitoring Neurosurgery Service, Dr. Martin, UCLA
- Epilepsy surgical program, depth electrodes, monitoring at UCLA

## **Ongoing Research Projects**

- New IDEAS: Imaging Dementia—Evidence for Amyloid Scanning Study- A Study to Improve Precision in Amyloid PET Coverage and Patient Care
- Open-Label Study for the Use of Transcranial Ultrasound Treatment. Conditions: Depression, Anxiety, ADHD, Parkinson's, Neuropathic Pain, Neurodegenerative Dementias
- Prodrome Neuro: An Open-Label Study of Omega-3 Oil Nutritional Supplementation for Aging-Related Cognitive Decline. Conditions: memory impairment, aging related cognitive decline, Alzheimer's disease, Parkinson's disease, dementia
- The Treatment of Dementia with Bosutinib: An Open-Label Study of a Tyrosine Kinase Inhibitor, Conditions: memory impairment, Alzheimer's disease, Parkinson's disease, dementia
- The Use of Transcranial Near-Infrared Laser Stimulation. Conditions: depression, anxiety, dementia, traumatic brain injury
- Focused Transcranial Ultrasound Guided Delivery of Tyrosine Kinase Inhibitors to Hippocampus for Treatment of Alzheimer's Disease
- Focused Transcranial Ultrasound Guided Delivery of Tyrosine Kinase Inhibitors to Substantia Nigra for Treatment of Parkinson's Spectrum Disorders
- Focused Transcranial Ultrasound Guided Delivery of Allogenic Exosomes for Treatment of Refractory Depression
- Focused Transcranial Ultrasound Guided Delivery of Allogenic Exosomes for Treatment of Degenerative Dementia
- Tyrosine Kinase Inhibitor Treatment of Degenerative Dementia, Chief Investigator, Pfizer
- Platelet Rich Plasma Treatment of Discogenic Pain
- Advanced MRI Imaging Applications to Clinical Practice, Retrospective and Prospective Studies
- Use of Microbubble Enhanced Ultrasound for Opening Blood Brain Barrier for Glioma
- Use of Autologous Stem Cell Treatment for Migraine and Neuralgia

- Imaging Neurovascular Coupling using Resting State MRI
- Ultrasonically guided botulinum chemo denervation and test injection for diagnosis and treatment of Thoracic Outlet Syndrome and cervical dystonia
- Functional Imaging and rTMS for OCD, pain, addiction, depression, dementia, and concussion

### **Society Memberships**

- American Medical Association
- Los Angeles Medical Association
- American Academy of Neurology
- American Society of Interventional Pain Physicians
- American Neuroimaging Association
- International Spinal Injection Society
- International Pelvic Pain Society
- American Society of Addiction Medicine
- Alzheimer's Disease Research Seminar

### **Publications and Presentations**

- Jordan, SE (February 2022) Peptides and Small Molecules for Neurodegeneration at the American Academy of Anti-Aging Medicine (A4M) Peptides Module, Nashville, TN.
- Jordan, SE (December 2021) Regensis- The Brain Doctor's Guide to Health: Keynote Speech at the American Academy of Anti-Aging Medicine (A4M) World Congress, Las Vegas, NV.
- Jordan, SE (December 2021) Alzheimer's Disease Revisited in the Post- Amyloid Era at the American Academy of Anti-Aging Medicine (A4M) World Congress, Las Vegas, NV.

- Jordan, SE (December 2021) Brain Survival in a Toxic Planet at the American Academy of Anti-Aging Medicine (A4M) World Congress, Las Vegas, NV.
- Jordan, SE (December 2021) Advanced Targeted Delivery Systems and Techniques at the American Academy of Anti-Aging Medicine (A4M) World Congress, Las Vegas, NV.
- Jordan, SE (December 2021) Exosomes and Stem Cells for Neurological Applications at the American Academy of Anti-Aging Medicine (A4M) World Congress, Las Vegas, NV.
- Zielinski, M., Habelhah, B., Mahdavi, K., Haroon, J., Kuhn, T. P., Becerra, S., Packham, H. R., Nicodemus, N. E., Spivak, N., Whitney, M., Mamoun, M. S., Bystritsky, A., Jordan, S. E., (December, 2021) Comparing Therapeutic Focused Ultrasound (tfUS) in Conjunction with bosuitib versus independent tfUS administration among Alzheimer's patients. Abstract accepted and poster presented at the International Brain Stimulation Conference, Charleston, SC.
- Rindner, E., Mahdavi, M., Zielinski, M., Haroon, J., Jordan, K., Bystritsky A., Jordan, S. E., (December, 2021). A case study of low-intensity focused ultrasound for treatment-resistant generalized anxiety disorder and major depressive disorder. Abstract accepted and poster presented at the International Brain Stimulation Conference, Charleston, SC.
- Haroon, J., Mahdavi, K., Zielinski, M., Kuhn, T., Becerra, S., & Jordan, SE (December, 2021) A case of COVID-encephalopathy imaged with fMRI and treated with near infrared light. Abstract accepted and poster presented at the International Brain Stimulation Conference, Charleston, SC.
- Jordan, S.E., Mahdavi, K., Habelhah, B., Becerra, S.A., Spivak, N., Zielinski, M., Whitney, M., Mamoun, M.S., Bystritsky, A. Kuhn, T.P., (December 2021). A case study of low-intensity focused ultrasound for treatment-resistant generalized anxiety disorder and major depressive disorder. Abstract accepted and poster presented at the International Brain Stimulation Conference, Charleston, SC.
- Haroon, J., Jordan, SE., Jordan, K., Becerra, S. , Mahdavi, K., Habelhah, B., Shalhaf, M, Zielinski, M., Jordan, K., Bystritsky, A., Mamoun, M., Kuhn, T. (December, 2021) Results of Motor Threshold Site Navigation Using Modern fMRI for Clinical rTMS Treatment. Abstract accepted and poster presented at the International Brain Stimulation Conference, Charleston, SC.

- Aboody, K., Mahdavi, K., Zielinski, M., Haroon, J., Go, V., Flores, L., M. McDonald, Jordan, K., Bystritsky, A., Jordan, S. (December, 2021). Investigation of focused ultrasound on blood-brain barrier permeability for small molecule delivery to the hippocampal formation: A preclinical investigation. Abstract accepted and poster presented at the International Brain Stimulation Conference, Charleston, SC.
- Jordan, SE (October 2021) Anti-Aging Regenerative Medicine Techniques at the California Society of Interventional Pain Physicians (CALSIPP) Annual Meeting, Rancho Palos Verdes, CA
- Jordan, SE (October 2021) Regenerative Medicine Techniques with Ultrasound Guidance at the California Society of Interventional Pain Physicians (CALSIPP) Annual Meeting, Rancho Palos Verdes, CA.
- Jordan, SE (October 2021) PRP and BMAC in Pain Practice at the California Society of Interventional Pain Physicians (CALSIPP) Annual Meeting, Rancho Palos Verdes, CA.
- Jordan, SE (August 2021) How the Hypothalamus and the Pineal Gland Control Aging at the American Academy of Anti-Aging Medicine (A4M) Peptide Conference, virtual.
- Jordan, SE (August 2021) The Brain Doctor's Guide to Alzheimer's Disease at the Seeds Scientific Research and Performance (SSRP) Brain Summit, Dallas, TX.
- Jordan, SE (July 2021) Neurological Manifestations of COVID-19 at the American Academy of Anti-Aging Medicine (A4M) COVID-19: A Primer Update from Treatment to Long Haulers, virtual
- Jordan, SE (July 2021) American Society of Interventional Pain Physicians (ASIPP) Cadaver Workshop, Memphis, TN.
- Jordan, SE (June 2021) The Grim Reaper Clock Resides in the Hypothalamus and Can Be Reset at the American Academy of Anti-Aging Medicine (A4M) Brain Health Summit, virtual.
- Jordan, SE (June 2021) Chronic Brain Infection; The Brain's Microbiome and Immuno-senescence at the American Academy of Anti-Aging Medicine (A4M) Brain Health Summit, virtual.
- Jordan, SE (June 2021) The 4m's of the Aging Brain: memory, Mood, Mobility and Mojo at the American Academy of Anti-Aging Medicine (A4M) Brain Health Summit, virtual.

- Jordan, SE (June 2021) The Brain Doctor's Guide to Alzheimer's Disease at the Alzheimer's Disease Research Seminar, Seeds Scientific Research & Performance Institute (SSRP), virtual.
- Jordan, SE (June 2021) Novel Indications and Approaches to Orthopedic Biologic Treatment, American Society Interventional Pain Physicians (ASIPP), New Orleans, CA.
